NexGen Revision Knee Arthroplasty

**Zentrum für Anatomie und Zellbiologie
der Medizinischen Universität Wien
Vienna, Austria**

15 – 16 March 2017

Invited Faculty:

Dr Andrea Baldini

Prof Francesco Benazzo

Assoc Prof Robert Hube

Prof Michael Pretterklieber

ZIMMER BIOMET
Institute

Meeting Information

This immersive and flexible practical course aims to give you all of the knowledge and skills that you require to evaluate this procedure. Please ask any questions as they arise, and the Zimmer Biomet Institute Faculty and Staff will help you find your solution

Learning Objectives

- Recognise the importance of determining the cause of primary implant failure
- Understand the indications for NexGen LCCK and RHK implants
- Evaluate the instrument options available for NexGen LCCK and RHK procedures
- Perform revision procedures safely and effectively on anatomical specimens
- Discuss bone loss classification in the femur and tibia
- Investigate advanced techniques for managing severe bone loss
- Review the surgical tips from expert faculty that will be beneficial in practice

The primary aim is to ensure the safe and effective use of Zimmer Biomet implants.
