

**Symposium**  
Cervical Spine  
Preliminary program

*Skills Enhancement - Spine*

Prague, Czech Republic  
23 - 24 November 2017

 ZIMMER BIOMET  
Institute

## Symposium

We know you are good. And we know you are eager to become even better. Share knowledge and experience peer-to-peer with colleagues from around the world at Zimmer Biomet Institute's Symposia!

The specific course objectives include:

- Identify and debate the arguments for ACDF and cervical arthroplasty
- Discuss the indications and treatment of myelopathy cases
- Assess when to approach from anterior or posterior in case of myelopathy
- Assess when to approach from anterior or posterior in OPLL cases
- Recognize the indications for trans-oral surgery
- Review and debate the management of cervical atlas and odontoid peg fractures
- Review and debate the management of atlanto-axial instability
- Analyse and discuss cases with peers and faculty in small groups

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.

Zimmer Biomet Institute

**LEARN. INTERACT. UNDERSTAND. SHARE.**

*Our continuum of education offers a vast range of opportunities to health care providers and Zimmer Biomet team members to **learn, interact, understand** and **share** knowledge about our products, services and about surgical philosophies through a variety of modalities.*
