ZIMMER BIOMET
Institute

Instructional Course

We know you are good. And we know you are eager to become even better. Get those real-time problem-solving deep-dives with Skill Enhancement by the Zimmer Biomet Institute!

The specific course objectives include:

- The rationale for Partial knee replacement
- Understand the development of the Oxford Partial Knee
- Understand the biomechanics of partial knee replacement
- Interpret and apply the correct indications for the Oxford Partial Knee
- Review the clinical outcomes
- Optimise recovery with pre-operative and post-operative management principles
- Learn surgical principles and surgical technique including tips and tricks for success
- Perform surgical technique during Sawbone lab
- Exchange experience via clinical cases

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.

Zimmer Biomet Institute

Our continuum of education offers a vast range of opportunities to health care providers and Zimmer Biomet team members to **learn, interact, understand** and **share** knowledge about our products, services and about surgical philosophies through a variety of modalities.
