

BioSkills

Advanced Knee Arthroscopy Course

Hands on - Sports Medicine

Cadlab Academy Cologne
Cologne, Germany
19th - 20th February 2020

 ZIMMER BIOMET
Institute®

BioSkills

Our continuum of education offers a vast range of opportunities to health care providers to learn, interact, understand and share knowledge about our products, services and about surgical philosophies through a variety of modalities.

Life is all about activity. At Zimmer Biomet Institute® we therefore believe our delegates should play an active part when learning about new products, surgical techniques or the like. Get your hands and brains on human specimens, sawbones and instruments to deepen your knowledge and enhance your skills!

The specific course objectives include:

- Review anatomy and indications for arthroscopy
- Graft preparation options
- Different treatment options knee ligament injuries
- Interact and discuss cases with expert Faculty and colleagues
- Provide practical and personal hands-on cadaveric surgical training in the techniques
- Perform the operation using anatomical specimens

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.
