## BioSkills

Our continuum of education offers a vast range of opportunities to health care providers to learn, interact, understand and share knowledge about our products, services and about surgical philosophies through a variety of modalities.

Life is all about activity. At Zimmer Biomet Institute® we therefore believe our delegates should play an active part when learning about new products, surgical techniques or the like. Get your hands and brains on human specimens, sawbones and instruments to deepen your knowledge and enhance your skills!

The specific course objectives include:

- Recognize the importance of determining the cause of primary implant failure
- Understand the indications and evaluate the instrument options available for NexGen revision system
- Perform revision procedures safely and effectively on anatomical specimens
- Investigate advanced techniques for managing severe bone loss with Trabecular Metal cones
- Review the surgical tips from expert faculty that will be beneficial in practice

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.

Zimmer Biomet Institute

LEARN. INTERACT. UNDERSTAND. SHARE.

Zimmer Biomet Institute Network is an **online HCP community** offering **webinars, e-books, tutorials, course-related materials** and much more.
