

Masterclass Cervidays

Skills Enhancement - Spine

Hotel Steigenberger
Berlin, Germany
3rd - 4th June 2019

 ZIMMER BIOMET
Institute®

Masterclass

Our continuum of education offers a vast range of opportunities to health care providers to learn, interact, understand and share knowledge about our products, services and about surgical philosophies through a variety of modalities.

We know you are good. And we know you are eager to become even better. Get those real-time problem-solving deep-dives with Skill Enhancement by the Zimmer Biomet Institute®!

The specific course objectives include:

- Understand and recognize the contraindications for cervical arthroplasty
- Review and debate about complications and revision procedures in the anterior cervical approach
- Discuss and debate about the complications and treatment of myelopathy cases
- Assess when to approach from anterior or posterior in OPLL cases
- Review the surgical options to address the Occipito - Cervical junction
- Recognize the complications in the Cervico - Thoracic junction
- Review and debate the classification of cervical injuries
- Review the surgical treatment for subaxial cervical spine tumour
- Allow for an interactive exchange between participants and faculty

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.

Zimmer Biomet Institute

LEARN. INTERACT. UNDERSTAND. SHARE.
