Skills Enhancement - Spine

Strasbourg, France
8 - 9 June 2017

 ZIMMER BIOMET
Institute

Masterclass

We know you are good. And we know you are eager to become even better. Get those real-time problem-solving deep-dives with Skill Enhancement by the Zimmer Biomet Institute!

The specific course objectives include:

- Allow for an interactive exchange between participants and faculty about lumbar and cervical arthroplasty
- Review and discuss lectures, attend demo workshops, view and debate live surgeries, together with relevant case studies
- Share your professional experience by bringing your own cases for discussion in groups or with the faculty individually

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.

Zimmer Biomet Institute

Our continuum of education offers a vast range of opportunities to health care providers and Zimmer Biomet team members to **learn, interact, understand** and **share** knowledge about our products, services and about surgical philosophies through a variety of modalities.
